

The Line Bazar Pitch Playbook & Battle Kit

Doctor & Compounder Ground Playbook | Author: Vivek Kumar | 100% Free for Doctors

4 GOLDEN RULES BEFORE ENTERING ANY CLINIC IN LINE BAZAR:

1. The Golden Window: Visit ONLY between 1:30 PM - 2:45 PM (After morning OPD crowd disperses).
2. NEVER Stand in the MR Line! 30 MRs queue triggers automatic doctor refusal ("Nahi chahiye").
3. NEVER Say "App" or "Startup"! Say: "Clinic ka Free WhatsApp Token & OPD System".
4. Clear in first 15 sec: "Doctor se 1 rupiya nahi chahiye - 100% Free setup and 0 monthly fee".

STEP 1: THE COMPOUNDER PASS (The Real Gatekeeper)

Timing: 1:30 PM - 2:00 PM | Sit at Desk With Him

*PSYCHOLOGY: The compounder guards the doctor. He fears extra work or being replaced.***SHOW HIM: This system eliminates morning queue fighting and saves his voice.**

"Namaste Bhaiya! Ek minute aapka chahiye tha.

Aap subah 8 baje se itne marizon ko sambhalte hain, hum dekh rahe the kitna bheed aur kheenchtan hoti hai.

Subah jo 50 mariz aakar aapse ladte hain ki 'Bhaiya mera number pehle lagao', aur aapko baar-baar chilla kar bolna padta hai - us pure jhanjhat ko khatam karne ke liye humne ek Free WhatsApp Token System banaya hai.

Clinic ke bahar ek chota sa QR placard lag jayega. Mariz aate hi phone se scan karega, uske WhatsApp par seedha token number #TK-12 chala jayega. Mariz aapse bahas hi nahi karega kyunki phone me time likha hoga.

Aur sabse badiya baat: AAPKO KOI COMPUTER YA TYPING NAHI KARNI HAI, sab mariz ke WhatsApp par automatic hota hai. Bhaiya, ek baar 1 minute ke liye doctor sahab ko dikha dein? Unka bhi 1 ghanta bachega aur clinic shaant rahega."

RESULT: Compounder khud bolega: "Sir, ek bhaiya aaye hain, token ke liye badiya cheez hai, 2 min sun lijiye."

STEP 2: DOCTOR 30-SECOND HOOK (The Anti-Sales Pitch)

First 30 Seconds in Doctor's Cabin | Stand Confident

*PSYCHOLOGY: The doctor is exhausted after 80 patients. He thinks you want to sell pharma or software.***GOAL: Eliminate the sales defense in 10 seconds. Show 2 biggest headaches solved at ZERO cost.**

"Namaste Doctor Sahab! Sir, sabse pehle main clear kar doon:

MAIN NA KOI DAWAI BECHNE AAYA HOON, NA KOI SOFTWARE BECHNE AAYA HOON, AUR AAPSE 1 RUPIYA BHI NAHI CHAHIYE.

Sirf 1 minute: Humne Line Bazar ke clinics ke liye ek Automated WhatsApp System banaya hai jo aapke do sabse bade sar-dard khatam kar deta hai:

1. OPD TOKEN RUSH: Subah mariz jo clinic ke bahar token ke liye ladte hain, unko seedha WhatsApp par token mil jata hai (#TK-01, #TK-02) with approx time.
2. LATE-NIGHT PERSONAL DISTURBANCE: Mariz jo raat ko aapke personal number par call/WhatsApp karke report bhejte hain, wo band ho jayega - clinic ke official WhatsApp assistant par handle ho jayega.

Sir, iska setup 0 rupiya hai, doctor ke liye 100% FREE hai, aur aapki 100% consultation fee seedhe aapke account mein aati hai. Ek live demo sirf aapke phone par 30 second mein dikha doon?"

STEP 3: LIVE DEMO & OBJECTION HANDLING CHEAT-SHEET

Closing the Deal | Turning "Nahi Chahiye" into "Kal Se Lagwa Do"

STEP 3: THE 30-SECOND LIVE WHATSAPP DEMO (Talk Less, Show on Doctor's Own Phone)

1. Place your demo QR code placard in front of the doctor on the table.
2. Say: "Sir, aap apne WhatsApp se is QR par sirf 'Hi' bhej kar dekhiye."
3. In 2 seconds, the doctor's phone receives live WhatsApp confirmation:

[CLINIC] Dr. [Clinic Name] OPD Desk (WhatsApp Verified)
Namaste Doctor Sahab! Aapka OPD Token confirm ho gaya hai.
TOKEN NUMBER: #TK-01 | Approx Time: 10:30 AM | 1-Tap Buttons Active

TOP 4 OBJECTIONS & EXACT FIELD COUNTER-PUNCH:

Q1: "Tumhara kya fayda hai? Free kyun de rahe ho? Baad mein charge karoge?"

ANSWER: "Sir, doctor ke liye yeh LIFETIME 100% FREE hai. Hamara model yeh hai ki jo mariz pharmacy delivery ya lab report mangwate hain, unse micro-convenience fee aati hai. Doctor ki consultation fee se hum 1 paisa bhi nahi kaat-te."

Q2: "Mujhe computer chalana nahi aata, mere paas bilkul time nahi hai."

ANSWER: "Sir, aapko computer chhuna hi nahi hai! Aap jaise pen se parchi likhte hain, waise hi likhte rahiye. Yeh mariz ke phone aur compounder desk par automatic chalta hai. Aapka 1 second bhi barbad nahi hoga."

Q3: "Practo wale bhi aaye the, unka to bahut jhanjhat tha."

ANSWER: "Sir, Practo mariz ko 50MB ka app download karne bolta hai aur doctor se Rs 3,000/month leta hai. Bihar me mariz app download nahi karte. Hum koi app nahi dete - sab kuch seedha WhatsApp par chalta hai jo har phone me pehle se hai."

Q4: "Abhi nahi, baad mein dekhenge / Visiting card chhod jao."

ANSWER (The 2-Day Urgency Close): "Sir bilkul. Hum Line Bazar me sirf shuru ke 3 clinics ko pilot priority onboarding de rahe hain. Main kal subah 10 baje aakar compounder ke desk par QR laga deta hoon. Sirf 2 din chala kar dekhiye - agar pasand na aaye toh turant hata dijiyega. Zero contract."

THE BACKDOOR STRATEGY: THE CHEMIST / LAB ALLY (The Trojan Horse)

1. When compounder completely blocks you, walk into the Medical Hall (Chemist) right next to the clinic at 2 PM.
2. Pitch the Chemist: "Bhaiya, doctor sahab ke chronic BP/Sugar mariz 1 mahine baad kisi aur dukan se dawai lete hain. Hum unke WhatsApp par Day-25 refill reminder bhejenge with 1-Click order - mariz aapka permanent ban jayega."
3. Say to Chemist: "Bhaiya, chaliye doctor sahab ko sath me dikha dete hain, sabka fayda hai."
4. Chemist walks you straight past the compounder into the doctor's cabin. Doctor ALWAYS trusts his chemist!
